PROCEEDINGS OF THE GOVERNMENT OF KARNATAKA

Sub: Appointment of Nodal Officer to facilitate apprenticeship Training to Vocation pass-outs in Karnataka – order regarding the Change of Nomenclature of Vocation Trades.

Read: Letter No: Dated 29.7.2000 from the Director of Vocational Education, Bangalore.

Preamble:

In letter dated 26.7.2000 read above, it was noted in the meeting presided over by the Secretary, Education Department and attended by the Joint Director, Vocational Education, Under Secretary, Education Department and Director, Department of Public Libraries that proper training under Vocational Apprenticeship Training has not been provided to thousands of Vocational pass-outs since 1986, the reason for which is that the office of the Apprenticeship Training is situated in Chennai. Making it inconvenient to respond properly to students problem. In order to provide information and to facilitate self-employment for these students it is suggested to appoint Sri H. K. Narayana Murthy, Deputy Director, (SIVE) as Nodal Officer. Further it is noted that the titles of the trades being run under Vocational Education Scheme and those in the Apprenticeship Act differ in nomenclature. This has denied Apprenticeship Training to some students. Therefore, the Director of Vocational Education has requested to change the Nomenclature of Courses to that of mentioned in Apprenticeship Act, so that the students of all the Vocational Courses can get the benefit of Apprenticeship Training. The proposal has been perused and considered.

Government order No. ED 97 MPE 2000, Bangalore, Dated: 16.1.2001

In view of the matter explained in the Preamble, in order to respond to the problems of the students, Sri Narayana Murthy, Deputy Director, (SIVE) has been appointed as a Nodal Officer and the approval has been accorded to change the Nomenclature of courses running in Karnataka as per the courses under apprenticeship act. No additional financial expenditure will be met for this purpose.
