Initiation into Mathematics (InitMath)

under the aegis of Mathematics Training and Talent Search (MTTS) TRUST

@ Department of Mathematics, Mangalore University

Mangalagangothri, Mangalore-574 199

March 13-18, 2023

(Funded by National Board for Higher Mathematics (NBHM))

manguniv.edu

BACKGROUND

The Mathematics Training and Talent Search (MTTS) programme is one of the most popular and significant training programmes in India. This programme has been running since 1993 and has made an impressive impact on the mathematical scene in the country. We receive a large number of applications from all parts of the country, but due to limitation of resources and seats, lot of deserving students do not get a chance to participate in main camps of the MTTS. In order to provide opportunities to a large number of students at regional levels, an **InitMath** (also known as mini-MTTS) programme has been initiated and runs on the same line of the main MTTS.

AIM OF THE Programme

The aim of the programme is to expose bright young students to the excitement of doing mathematics, to promote independent mathematical thinking and to prepare them for higher aspects of mathematics.

Academic Programme

Three fundamental courses in Mathematics will be taught by highly experienced faculty in MTTS teaching methodology.

The aim of the instruction is not to give routine lectures but to stimulate the participants to think and discover mathematical results on their own.

Organizers

Academic Coordinator: Dr. A. Satyanarayana Reddy
Shiv Nadar Institution of Eminence, Uttar Pradesh-201314
☎ 9953936560 ✉ satya8118@gmail.com

Local Coordinator: Dr. Chandru Hegde
Asst. Professor and Chairman, Department of Mathematics,
Mangalore University, Mangalagangothri - 574 199
☎ 9900815699 ✉ chandrugh@gmail.com

Eligibility & Selection

Second year undergraduate students with Mathematics as one of their main subjects. Students from the Karnataka and neighboring states will be given preference.

The selection will be on merit, based on consistent and good academic records and recommendation by a mathematics teacher.

IMPORTANT DATES

Online application starts on: February 15, 2023.
Last date for online application: February 28, 2023.
Date of publishing selection list: March 04, 2023.
Programme dates: March 13–18, 2023.

Application Procedure

Interested students can apply online by accessing

<https://mtts.org.in/programme/im2023mngu>

List of only selected participants will be displayed on the MTTS website. Sleeper class train fare or state bus fare and accommodation will be provided to the selected non local participants. Food will be provided to all the participants.

About Department of Mathematics, Mangalore University

The Department of Mathematics was started as a P.G. Centre of University of Mysore in 1968 and was initially hosted at N.I.T.K., Surathkal to cater to the needs of the districts of Dakshina Kannada, Kodagu and Udupi. In the year 1972, the Department was shifted to the new campus at "Konaje" known as "Mangalagangothri". It became a full-fledged Department of Mangalore University form 1980.

The Department offers M.Sc. and Ph.D. programmes in Mathematics. Over the years, the department is actively involved in research activities in the specialized areas like, Graph theory, Lattice theory, Algebra and Numerical Analysis. Conferences, seminars, workshops and invited talks are frequently organized to facilitate research and create academic ambience among the students. There is a good response to the M.Sc. Programme and successful students are employed in various organizations. Students are encouraged and motivated to crack NET/SLET/GATE exams by providing constant support in terms of guidance and motivation; as a result many students have successfully qualified.

ABOUT THE MTTS TRUST

MTTS-TRUST is a non-profit educational trust. The primary object of the trust is to organize all activities under MTTS umbrella and any other training camps as deemed necessary or important for the country to keep its eminence in higher mathematics. If you wish to contribute to MTTS (financial or otherwise), please get in touch with us.

Initiation into Mathematics (InitMath) Programme

Conducted by

Department of Mathematics
MANGALORE UNIVERSITY

Report

An Initiation into Mathematics (InitMath) Programme was organized at Department of Mathematics, Mangalore University, Mangalore, Karnataka during March 13-March 18, 2023 with the aim of expose bright young students to the excitement of doing mathematics, to promote independent mathematical thinking and to prepare them for higher aspects of mathematics. The programme was sponsored by MTTS trust. The MTTS trust has sanctioned Rs. 3,05,000/- for the porgramme. The programme was first announced on 4th March-2023. Received a very good response from the students in the short span of time. Total 110 applications have been received from students of Karnataka and nearby states. The students from Karnataka and nearby states who have applied for MTTS Level O are also considered for selection. The details of applications are as follows.

State	Number of Students Applied	Number of Students Selected	Number of Students Attended
Karnataka	81	35	34
Kerala	11	06	04
Maharashtra	02	01	01
Tamil Nadu	14	03	03
Telangana	02	01	01
Andhra Pradesh	-	04	03
Total	110	50	46

Three fundamental courses in Mathematics have been taught by highly experienced faculty in MTTS teaching methodology. The resource persons of the programme are as follows.

1. Dr. A. Satyanarayana Reddy, Associate Professor, Shiva Nadar Institute of Eminence, Uttar Pradesh.
2. Dr. B. S. Upadhyaya, Professor of Mathematics (Rtd.), Regional Institute of Education (NCERT), Mysore.
3. Dr. D. Sukumar, Associate Professor, Indian Institute of Technology, Hyderabad.

The program was started with a short Inaugural function, Prof. A. M. Khan, Professor of Economics and Former Registrar of Mangalore University was the chief guest. The book titled "A Foundation Course in Mathematics" was given to all the participated students together with writing materials. On all the six days classes have been started exactly at 9.00 A.M. There were 4 sessions of lecture and two sessions of discussion on every day. All students are actively participated and expressed their views in at the time of discussion sessions. Research Scholars of the department were also participated in the discussion. It was found that the students were interacting with the Resource persons, Research Scholars and Faculties of the Department at lunch hours and in the evening after the classes.

All students are allowed to access the University Library and are exposed to the facilities available in the University. After the regular classes, an arrangement was made to visit internationally recognized science research centers namely, Microtron Centre, Center for Application of Radiation and Radioisotope Technology (CARRT) and Centre for Advanced Research in Environmental Radioactivity (CARER) established by the University. Also students have visited Yakshagana Museum and Biological Shell Museum in the campus.

All the participated students expressed that they are all happy about the content of the programme, the method of teaching, arrangements of the accommodation and food. The department of Mathematics would like to express sincere thanks to MTTS trust for providing the opportunity to conduct the programme and Dr. A. Satyanarayana Reddy, academic co-ordinator of the programme for his guidance and efforts to make the programme grand success.
